Doerr, John. 2018. *Measure What Matters: How Google, Bono, and the Gates Foundation Rock the World with OKRs.* Penguin.

This book is written by Doerr, who is the chair of a venture capitalist group. The book describes how business organizations can use OKRs to drive the focus of a company through agility, which leads to explosive growth. There are first-person, behind the scenes case studies narrated by leaders like Bill Gates and Bono. This book helps guide understanding of business and management strategies that drive the success of large companies.

Summary

Wilson, John Philip. 2001. *When the Texans Came: Missing Records from the Civil War in the Southwest.* UNM Press.

Citation

This book contains 282 original letters, song lyrics, casualty lists, transcripts of witness testimony, original newspaper accounts. It's a supplement to the anthology published in 128 volumes "The War of the Rebellion: A compilation of the Official Records of the Union and Confederate Armies". The author is a historian-archaeologist. This book is an excellent source for primary documents and offers a fresh narrative of the civil war in the New Mexico territory. Many people think of the Civil War as a battle between the Union and the Confederacy. This book gives the Civil War history researcher a glimpse at the battles happening in the Southwest, as well.
